  - Node.js
  - Wordpress
  - JQuery
  - MongoDB
  - Express
  - MySQL
  - Bootstrap
  - Git
  - Heroku
- 

## Professional Experience

**Elements Construction**, Thatcher, AZ

**General Foreman**, August 2018 - September 2019

Led a small construction crew for miscellaneous small jobs, including; framing, drywall, painting, and remodeling. Also worked under the owner and operator for larger construction jobs.

- Gained multiple promotions through diligence and hard work
- Trusted to complete many solo jobs with no supervision

**iPhone Repair**, Thatcher, AZ

**Repair Person**, September 2017 - September 2019

Created a part-time mobile iPhone repair business to help get me through school. Took the initiative to gain experience in the repair industry and become a trusted source for customers.

- Learned the basic inner workings of a small business
  - Completely self-taught in every aspect of the repair business
-

## **Education**

### **Codecademy HTML & CSS Certificates**

First step towards becoming a web developer. Took initiative to teach myself how to code. The certificates can be viewed here: [https://www.codecademy.com/profiles/aaron\\_angle](https://www.codecademy.com/profiles/aaron_angle)

### **Eastern Arizona College, August 2018 – April 2019**

Was pursuing an associates degree in Computer Information Systems. Took many classes regarding computers and programming. Transferred over to the University of Arizona.

### **Certificate of Full Stack Web Development from the University of Arizona, October 2019 – January 2020**

Learned multiple programming languages and completed many projects that you can view in my online portfolio. Spent over 40 hours a week outside of class re-enforcing concepts and learning how to code.
